

Maurice Thomson Motors Ltd

Hi everyone,

I would like to thank the Fiat Club Waikato for the purchase of the Hans device and Transponder that you have given me to use for the season. Without your help I could not have been competing at this level of motorsport in New Zealand.

We have fitted the transponder and have made use of the Hans device in the first round at Pukekohe and I promise to return them both in pristine condition.

As a way of saying thankyou we will be wearing Fiat Club Waikato pit shirts at all meetings we attend and have Fiat Club Waikato sign written on the car. We have also added the Fiat Club Waikato Logo to all of my press releases that will be in the same format as this letter.

I hope this venture will be a great experience for me and I look forward to speaking at your AGM just after the Taupo A1GP round of the Championship.

The Production Race Championship dates are as follows.

Rd1	Pukekohe	2 - 4 th November
Rd2	Ruapuna	23 – 25 th November
Rd3	Taupo	17 – 20 th January (A1GP)
Rd4	Manfield	15 – 17 th February
Rd5	Timaru	29 Feb, 1 - 2 nd March
Rd6	Teretonga	7 – 9 th March
Rd7	Manfield	28 – 30 th March

Thank you all for your support and see you at the track.

Blair Thomson
Fiat Punto HGT Abath
Car # 30
